We gathered data on 760 internet plans across 28 cities.

Modem fees can add 75% to a monthly bill in the U.S., compared to just 30% abroad.

Most U.S. plans use promo rates, after which the rate increases by $22.25 per month, on average.

Municipal networks offer some of the best value in the United States.

Only one U.S. city made the top 10 ranked by lowest average monthly price.

1. Bucharest
2. Paris
3. Seoul
4. Riga
5. London
6. Copenhagen
7. Ammon, Idaho
8. Toronto
9. Zurich
10. Prague
